

# aWord from Pastor

Senior Pastor Greg Davis

**CHANGE IS NEVER EASY. PEOPLE TEND TO RESIST CHANGE FOR THE MOST PART. WE SEEM TO GET COMFORTABLE WITH A SET ROUTINE AND FORGET, THAT BY DEFINITION, GROWTH MEANS CHANGE.**

Nothing in life can grow without changing in one way or another. Any living organism that grows will transform and change in the process of that growth. The church is no different.

Churches that refuse to adjust their methods in order to accomplish their mission will soon fade and die. We see the evidence of that all around us. As a church looks to the Lord for ways to be more effective at fulfilling the Great Commission to reach the lost for Christ; there will be adjustments in strategy. Then as more people come into the church and become believers, the very presence of those new believers will be a source of change as well.

In the past few months, Cornerstone has made some strides forward in excellence and effectiveness in many areas. As a result, the number of decisions for Christ is continuing to increase! Heaven rejoices over this and so should we. My deepest thanks and gratitude go to the vast majority of Cornerstone folks who understand that fulfilling our God-given mission brings far more joy than maintaining our comfort. Thank you for being a vital part of our Mission to reach this region for Christ!

Blessings,

Pastor

## THE CHRISTIAN ATHEIST: BELIEVING IN GOD BUT LIVING AS IF HE DOESN'T EXIST

By: Craig Groeschel

Does your belief in God impact your life? If the answer is no, you may be a Christian Atheist. A Christian Atheist is someone who believes in God, but lives like He doesn't exist—you believe in God,

but worry all the time, or you believe in God, but trust money more. In *The Christian Atheist* Craig Groeschel shares from his own journey of growing up in a "Christian" household, but the most that faith required was to attend church several times a year. When Groeschel discovered that the real key to faith is intimacy with God, everything changed. Discover a powerful, intimate relationship with God for yourself and you'll never be the same.

## WE CRY OUT: THE WORSHIP PROJECT

JEREMY CAMP

Jeremy Camp is a renewed man. Over the course of four studio discs and one live project, this grown up pastor's kid has shared his life with us. Through his songs we've seen the joy and the sorrow, his devotion to God, his fear of falling short and his certainty that Jesus is the answer to life's toughest questions.

Even when Jeremy's message became painfully personal when losing his first wife to cancer just months after their wedding, he boldly wore the mantle of comforter, soothing the pain of others by sharing his story, listening patiently to theirs, and providing them with songs that expressed what they were feeling when their grief left them unable to speak. It was that life-altering tragedy that inspired his early career.

Now grammy-nominated best-selling artist Jeremy Camp releases his seventh studio album! Once again, he's created a heartfelt project that returns to his worship music roots. Includes the radio hit "Jesus Saves," plus "Not Ashamed," "The Way," "Mighty to Save," "You Are the Lord," "Everlasting God," "Overcome," "You Never Let Go," "Unrestrained," "King Jesus," and the title track.
